

Name: _____

Date: _____

In the first line, check the square if the number on the right is large. The second line puts a check in the square when the number on the left is large. Check each column alternately, such as row 1 and row 2.

1 8 9 4 3 8

5 2 7 2 5 4

5 8 1 6 1 2

7 2 5 6 7 4

9 4 3 8 5 6
