

Name: _____

Date: _____

<Please point your fingers alternately between numbers and alphabets like ①→A→②
→B→③. J is the end.>

The image contains a large, irregular shape formed by overlapping polygons. Inside and around this shape are various numbers and letters, each enclosed in a circle. The numbers are 1 through 15, and the letters are A through M. There are also several empty circles scattered throughout the shape. The numbers and letters are arranged in a way that requires a specific sequence of pointing fingers to follow the instructions.
